

**Southeastern Registrars Association
2023 SEMC Annual Meeting Travel Scholarship
Emerging Professionals Category**

This scholarship is designed to assist individuals that are relatively new to the registration/collections management/preparation profession. To be eligible, applicants must perform registrarial duties in the 12 state Southeastern region and/or Puerto Rico and the Virgin Islands, have less than ten years of experience in the collections field, and be current SERA members.

Award criteria includes but is not limited to: demonstrated merit in the field of registration, collections management, or preparation; educational background; activity in professional organizations; ability to share knowledge gained at the conference with others; and financial need. Preference will be given to those who have not received a SERA Travel Award in the past. Award winner will be required to attend the SERA Affinity luncheon at the conference. A brief report on a SERA-sponsored session to be published in *SERA News* is optional but recommended. Winner will also be recognized at the SEMC Business Meeting/Award Luncheon.

Instructions: Email the following materials to the SERA Scholarship Committee:

- a) This application form
- b) Cover letter stating applicant's goals for attending the meeting, and explanation of criteria listed above
- c) Resume
- d) One letter of recommendation, from immediate supervisor, if applicable.
